

PRODUCT INFORMATION TORPEDO

TORPEDO – THE ALL-ROUNDER!

The pond suction cleaner TORPEDO offers you all possibilities for pond cleaning. Powerful components move the water out of the pond to the desired discharge point via \varnothing 50 mm hoses at very low noise levels. The compact design and the stable chassis make it easy to move even over terrain. With the freely adjustable suction power, the right setting can be selected for all swimming or koi ponds of private size.

The TORPEDO has been convincing pond owners and professional users for years. We recommend the optional GRP pre-separator as a supplement.
